DZ BANK AG – Koblenz

By car

If you are coming via the A61/A3 motorways, please take the Koblenz exit onto the B9. Drive straight on the B9 trunk road into town. When you see the sign "Pfaffendorfer Brücke", please follow it round to the left through to the third intersection (Friedrich-Ebert-Ring/Christuskirche). There, turn right into Hohenzollernstrasse, then at the second intersection turn left into Roonstrasse. DZ BANK is at no. 7.

By public transport (from Koblenz main railway station)

From Koblenz main railway station it is only about seven minutes by foot to DZ BANK. From the station, walk straight along Markembildchenweg in the direction of "Rheinanlagen" until the second intersection. Then turn left into Kurfürstenstrasse and walk down to the next intersection. There, the DZ BANK building is on the left-hand corner. The same route by cab will take about three minutes. Using public transport essentially takes longer.

We wish you a pleasant journey!
